PIT CONFERENCES

The **12 PIT conferences** so far have set standards for business conferences intended for the manufacturing sector, recognized for their intercreativity and quality.

4 online conferences were held during the pandemic.

PIT conferences have gathered more than **2500 participants** from as many as 100 companies from Slovenia, Croatia, Serbia, Montenegro and Bosnia and Herzegovina.

The great mind behind the idea and concept for organizing PIT conferences, which have become an inevitable meeting point for production, as well as for industrial and technological leaders from the Adria region is the company **Targer Engineering and Consulting (BiH)**.
